

Join the

Kansas Family Support program for families of deaf/hard of hearing children

What are the Benefits?

Support from another family who has gone through similar situations and experiences can provide valuable help, understanding, and information.

Emotional Support • Gain informal information • Knowing you're not alone • Share experiences - "I've been there" • Confidence—cope with hearing loss • Better understanding and acceptance of hearing loss • Ideas and strategies to help solve problems and progress towards meeting the child's needs • Develop new friendships with other parents • Hope

To be contacted by a supporting parent fill out the intake form at
www.ksfsn.org

You will be contacted by a support parent within 48 hours.

The Family Support Network is sponsored by

SoundBeginnings Early Hearing Detection and Intervention Program, Sound START, and Kansas School for the Deaf
