Physician Signature _____

Date _____

When Homocystinuria is confirmed, the Kansas Law 65-180 through 65-183 requires reporting by physician.

Financial assistance for Homocystinuria clinic services and treatments may be available to the family upon application to the Special Health Care Needs (SHCN) program. A SHCN application will be sent to the baby's address. Parents or physicians can call SHCN at 1-800-332-6262 or 1-785-296-1313 for more information.
