If LSD is confirmed, Kansas Law 65-180 through 65-183 requires reporting findings back to KDHE by a physician. Financial assistance for LSD clinic services and treatments may be available to the family upon application to the Special Health Care Needs (SHCN) program. A SHCN application will be sent to the baby's address. Parents or physicians can call SHCN at (785) 296-1313 for more information.
